**Attachments:** New PFAS made known to NC DEQ by Chemours.docx

Hi Aurelie,

### Ex. 6 Personal Privacy (PP)

I am attaching the 4 new compounds NC DEQ has been made aware of from Chemours that should be monitored for. I am unsure of where to get standards for each of these. I expect the 4<sup>th</sup> one (they call PPF acid; I call the C3 PFAS acid) should be very available. The second one called MMF is the difluoro malonic acid. I think the mono-fluoro version would be a good one to have a method for as well. I have had several contacts ask me if I see this analyte.

Mark
